

# Fine Art Prints Order Form

Print Catalog with simple print-and-mail form for  
David's art reproductions

*"A thing of beauty is a joy forever..." John Keats, Endymion, Book I*

## Beautiful, durable, ready-to-frame reproductions

Fade-resistant beyond 100 years, my high-resolution pigment-inkjet prints ("Giclée") are true to the original, produced one at a time under exacting conditions.

**Reproductions of paintings originally done on canvas** are printed on real 100% cotton duck canvas, the same weight and weave used in fine art oil painting, mounted on a 1/2" thick wooden frame, stapled at the back and given a protective UV-resistant varnish coating. The title and printing data are printed on the margin so it will show on the back when framed.

**Prints from paintings originally done on panel** (there are only two so far) are printed on heavy fine art fine-art watercolor paper, matte finish, with a 2" white margin.

Please allow one week for paper prints; two weeks for canvas. Paper prints are shipped rolled; canvas prints are boxed.

**Prints from David's fine art photographs:** see Photo Print Order Form.
